- ☐ Surveyor’s Construction Layout or Valid Staking Certificate
- ☐ Status of Title (current of 30 days or less)

Preferred Method of Contact: ☐ Phone: _____

☐ Email: _____

You may submit this application and all forms in person or by email to inspector@rmdesalaberry.mb.ca

The Municipality reserves the right to request a Surveyor’s Building Location Certificate and/or any other documents deemed necessary to assure conformity to the Zoning By-Law, Building By-Law, Manitoba Building Code and any other applicable code, regulation, by-law or statute.

Notice: The information collected on this application is collected under the authority of section 5.1.4 of Building By-Law 2372-18. It collected for the purpose of obtaining and

Office Use Only:	Date Received:

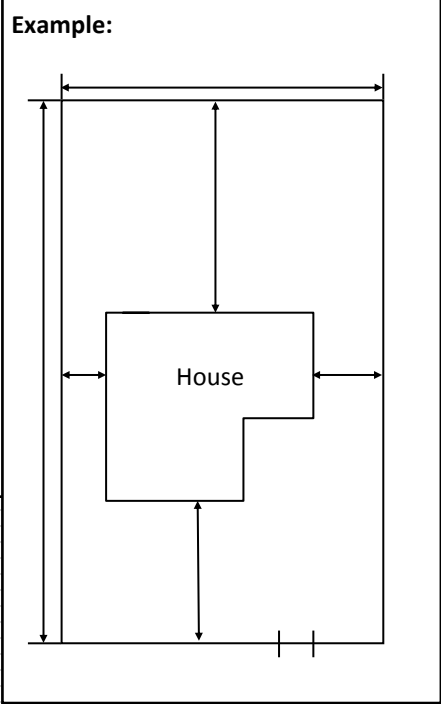

Permit Administrator (204) 905-3180 or inspector@rmdesalaberry.mb.ca

Please sketch your site plan in the space provided below.
The site plan must show:

- Property dimensions (length & width)
- Identification of adjacent streets
- Location of existing structures and notation of any demolition due to new construction
- Proposed new building location, shape, and size
- Proposed new building setback from ALL property lines
- Access to property

Basement Finish Permit Applications:

- Draw a layout of your basement ensuring all rooms are labelled.
- Indicate the location and size of all windows (1/bedroom required)
- Indicate the location of each smoke detector (1/bedroom + 1 in area outside bedrooms)
- Indicate the location of cold air returns (1/bedroom + 1 in common area)

Grid area for sketching the site plan.
