## News Release – Rural Municipality of De Salaberry

### Official Name for St. Malo Greenspace

June 22, 2022

The Council of the Rural Municipality of De Salaberry is pleased to announce the official name for the greenspace situated at the intersection of Highway 59 & Avenue de la Grotte where the White-Tailed Deer Statues are currently located.

The École St. Malo School was approached to run a naming contest for the St. Malo Greenspace with its students and interested community members. 13 excellent submissions were received and evaluated by the St. Malo Greenspace Committee and Council. The chosen name is the **Coin Rendezvous Corner** by Kenzie Lafrance.

The *Coin Rendezvous Corner* will be transformed to complement the placement of the White-Tailed Deer Statues. The park is intended to be a place of rest and reflection, to create a connection between St. Malo Provincial Park and the town of St. Malo and an attraction along the Crow Wing Trail. There will be interpretive storyboards that bring to life the shared history. The Coin Rendezvous Corner will be highly visible and welcomes visitors to discover the rich, diverse and proud history of the community.
